

65000HDB Lithium-Complex Grease EP 2/3 Blue

Document version: May 18, 2025

Description

MPM Lithium Complex Grease EP 2/3 Blue is a high performance heavy duty grease for extended service intervals. This grease is produced with high quality mineral base oils combined with EP additives to achieve superior adhesion, high water resistance and very good anti-wear properties.

The high stability provides excellent protection against rust and corrosion even under severe conditions.

Ideal for use in shipping, agriculture, automotive and truck sectors, in applications such as propeller shafts, universal joints, water pumps, electric motors, wheel bearings and PTO (power take off).

DIN 51825 / KP2/3N-30

According to the specifications of

Packaging units

ART. NR.	VOLUME	ITEMS PER UNIT	ITEMS PER PALLET
65018HDB	18 kg	1	-

Standard analyses

TEST	VALUE	METHOD
Colour	blue	
NLGI Classification	2/3	DIN 51818
Temperature Range	-30 – 150 °C	
Drop Point	> 280 °C	
Copper Corrosion	< 1B	
Four Ball Welding Load	> 450 kg	
Soap Thickener	Lithium-Complex	

These characteristics are typical of current production. Variations in these characteristics may occur.
